

THE “MAUREEN HAAS” COUNSELOR IN TRAINING PROGRAM AT CAMP WASHINGTON

Camp Washington is open to all God’s people of any race, religion, gender, sexual preference, age, national origin or physical abilities. Our ministry is dedicated to providing opportunities for individuals to come to know God’s grace through the experience of a loving and committed community, and to share that experience with others. We believe that all should have the opportunity to grow spiritually, emotionally, socially, and physically and return home refreshed and renewed.

The Counselor-in-Training (CIT) program is designed to give aspiring staff an overall experience of what it means to work with children and youth in a camp environment, and to develop leadership roles above and beyond the camp setting. Combining leadership skills, life skills, hands on experience, and service projects- The CIT program is a wonderful opportunity for youth to explore the transition from camper to counselor.

Maureen Haas was a beloved member of the Camp Washington community as a camper and staff member in her youth, and later as the Christian Formation Coordinator for many years. During her time at Camp Washington, it was always a priority of Maureen’s to be a source of support to the many campers and staff whom she encountered on a daily basis. Maureen especially cared about the development of youth who would potentially become the leaders of the Camp Washington community and cared deeply for the Counselors-in-Training. As such, a scholarship fund set up in her name has been designated as a means to help subsidize the hands-on education our Counselors-In-Training will receive.
